Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

This one-story framed and weatherboarded early twentieth-century bungalow faces west onto Sedwick Street. Oriented with its gable end toward the street, this modest dwelling has been heavily altered in recent years. The most obvious changes include an enclosed one-story front porch and a shed-roofed garage added onto the north side of the house. Vinyl siding replaces the original sheathing.
